Conclusion 26

President’s Message

Assalamu Alaikum.

May the peace and blessings of Allah be upon you all.

As we gather for CBET's 12th Annual General Meeting (AGM), I am grateful to reflect on another productive year for the Canada Bangladesh Education Trust (CBET).

Alhamdulillah, CBET successfully held its Annual Dinner in October 2025 and its Ramadan Iftar Dinner in March 2025 at SNMC. With the generous support of our donors, sponsors, including IRC and HCI, and the mosques of the Ottawa-Gatineau region, CBET received approximately $100,000 in support.

In 2025, CBET continued to improve and simplify its scholarship application process while expanding its outreach. CBET awarded scholarships to 300 college students, each receiving $250 (Tk. 12,000), and approximately 346 public university students, each receiving $600 (Tk. 32,000). These scholarships supported students pursuing their first degrees in fields including medicine, engineering, science, business, and humanities across 30 public universities.

We are also proud that members of our first group of scholarship recipients have graduated and begun their professional careers.

Over the past 11 years, CBET has helped change the lives of more than 4,000 families in Bangladesh and over 100 families in the Ottawa-Gatineau region. As a federally registered Canadian charity, CBET also works to support youth and families in becoming contributing Canadian citizens with strong moral and ethical values.

Let us continue working together to support the education of orphans and students in need so they can build brighter futures. We encourage our community to sponsor a university scholarship for $600 or a college scholarship for $250 through Zakat or Sadaqah. Donations can be made through eTransfer at info@CBET.ca or online through CBET's website.

I would like to sincerely thank all CBET Board members, volunteers, donors, and supporters for their continued dedication. We seek Allah's forgiveness for our shortcomings.

May Allah bless us and our families and guide us as we continue serving our communities.

Dr. Emdad Khan

Change a Life by Giving in Education

1. Introduction

And cover not Truth with falsehood, nor conceal the Truth when ye know (what it is)". Al - Quran 2:42

Transparency and accountability bring credibility to an organization. CBET remains accountable to 1) Allah (SWT), 2) its donors and 3) the Canadian Revenue Agency (CRA) as a responsible charity organization, 4) Industry Canada as a non-profit organization.

The primary objective of this report is to convey to our donors, local community, the general public, CRA and Industry Canada, the activities and achievements of the past year and present an update on the latest progress on the funding, expenses and progress in our scholarship program.

1.1 Background

CBET was established in August 2012, to provide scholarships to students in Canada and in Bangladesh.

1.2 CBET Vision

Make education easily accessible to orphans and needy in Bangladesh - Canada to develop contributing citizens, reduce poverty and build communities.

1.3 CBET Mission

- Award 300 + College scholarships in Bangladesh each college scholarship
- $250.00 Award 300+ University scholarships in Bangladesh each $600.00
- Award 6 High School Graduates scholarships in Canada each $500.00

2. CBET Coverage Area

CBET represents the Bangladeshi community of Ottawa Gatineau since August 2012. It is a non- political, non-profit, family-centric charity organization. CBET also plans to establish branches in major cities in Canada, such as Montreal, Vancouver, and Toronto.

3. Service Location: Ottawa Gatineau

Head office for CBET is located in Ottawa, Canada with a branch in Dhaka. Large-scale community events like Summer Picnics and Fundraising Dinners, which require larger space, are held in rented community centers, public and/or other public areas.

4. Objectives

- Aimed to assist the talented orphan-needy students from public Universities & colleges in rural areas of Bangladesh.
- Organize community events to build a stronger & healthier community

5. Principles

CBET is guided by the following principles:

- Honesty, Openness, and Fairness
- Accountability to Al-Mighty God
- Canadian Statutory Authorities and CBET Community
- Providing service to community members irrespective of faith, culture, and ethnicity
- Respect everyone's views, values, and ideas

6. Expected Results

- Orphan-needy students are continuing with their education
- Help the students to be a skilled manpower or resources
- Encouraged students by providing University scholarship to continue with higher education

7. Selection of Colleges

Students were selected as per set criteria of CBET. Seven or eight colleges are selected from rural areas and situated in the poverty prone areas of Bangladesh. 10. Validating Scholarship Applications

We sometimes call students in Bangladesh who applies for CBET scholarship to validate the applicant. SUROVI took initiatives to communicate with the relevant college authority, students and parents on a regular basic to collect Bank Account and other information. Scholarship money has been transferred to the respective students Bank Account in two installments.

To know the status and socio-economic conditions of the selected students a process of personal contact continued during the project time. This personal communication made and uphold the project activities more transparent, reliable and worthy in terms of achieving its goal and objectives. SUROVI also had communication with the local people and some direct observation at the project areas by its long run implementation of different activities throughout the country.

11. Project Result

After completion of the project following achievements in terms of quality and quantity have been seen in different aspects of the project:

- Total number of students in different colleges enriched with education materials, books and other expenses.
- Students learning capacities have developed in terms of quality education and participation in different competitive examination.
- Students can take coaching and give tuition fees regularly.
- Parents, guardians and local community people became aware about the program and ultimate objectives of the program. They assured to follow up their future course of actions and assist the students to continue education if require.
- Decreased gender discrimination in line with educational opportunity as the project emphasized female students as its primary stakeholders.
- Reduced Early Marriage
- Decreases risk of drop out from education.

12. Improve Learning

A substantial number of talent and poor students dropped out and discontinue from education as well higher education due to financial challenges. However, support from organizations like CBET will make them a resource rather than a burden of family and nation. The student feels proud, confident and inspired to be a good citizen instead being a member of poor family.

CBET scholarship support adds huge value in the life of the students. It has developed a moral courage among the students to be a resource and contributor for the society.
The scholarship program enables the talent and poor students a healthy competitiveness. Eventually it gives a development scenario in students' individual performance.
This support needs to continue and expanded to create more opportunity for the poor and talent students to retain in education.

23. Our Respected Volunteers

CBET is a grass-root community organization where volunteers are its life, blood and soul. Without them, CBET is unable to provide its services. Every attempt has been made to acknowledge those who have volunteered. We like to offer our sincere apologies, if we have accidentally missed anyone.

CBET has a list of volunteers with their interests and expertise; it plans to assign various pieces of related tasks to them in order to achieve its goals.

Together, we will fulfill our duty of supporting our fellow brothers and sisters and lend a hand in giving the gift of education.

CBET is pleased to issue community volunteer hours for High School Students. If you are interested to volunteer work for any of the CBET activities, please contact via email at info@cbet.ca.
